

# POLL BOONOKE 180874

2018 Drop Poll Boonoke Ram (ET)

Sire: White River 160546 x Nyowee Poll 100134

Dam: Poll Boonoke 130023 x Wallaloo Park 110003

**Stud Master's Comment:** A stand out sire as a lamb; beautifully balanced with a deep side, stands squarely on his feet, well covered right down to his points and a great belly wool. His head is also well covered and pure, with a clean, dry poll. His wool is a true well crimped medium, with nourishment and softness. A genuine dual purpose Merino sire.
