PB190058 is an ET bred son of one of the Stud's most successful stud sires PB130028, and a full brother to PB180137 who sold privately for \$70,000 in 2019. He has a soft, open face and shows width of body with a rich, soft skin and productive wool density, and he ranks in the top 1% of the current ASBV database for Yearling Clean Fleece Weight. His stylish, crimped wool is lustrous and has exceptional length for his thickness with particularly good handle and elasticity.
