

# POLL BOONOKE 200154

2020 Drop Poll Boonoke Sire

Sire: Poll Boonoke 160536

Dam: Poll Boonoke 170445 x PB150026

**Stud Master's Comment:** An ET bred son of PB160536 out of PB170445 by PB150026. This compact, dual purpose style sire has good confirmation and bone, a dry poll and a soft, pure muzzle. His good supple skin is producing a soft, waxy, bold medium wool.
